

## EXECUTIVE SESSIONS/ OPEN MEETINGS

Code **BCBK** Issued: 10/19/1988 Latest Revision:

---

**Purpose: To establish the basic structure for conducting executive sessions.**

The Board of Trustees, by majority vote, may go into executive sessions for the reasons provided for by law. Only upon request of the board may persons other than board members and the superintendent be present during executive sessions.

Before going into executive session, the board chairperson will put the question of whether to meet in executive session to a vote. If such is favorable, the chairperson will then announce the **specific purpose** of the executive session, i.e., identify the matter(s) to be considered in executive session, **which will be reflected in the minutes.**

As permitted by law, executive session matters may involve the following:

- Individual student **personnel** actions
- Individual staff personnel actions (unless the individual requests a public meeting)
- Discussion of negotiations incident to proposed contractual arrangements
- Acquisition or sale of property
- Receipt of legal advice, including settlement of a claim
- Security
- Investigation of criminal misconduct

The board will not take any formal action in executive session. Formal action means a recorded vote committing the board to a specific course of action. **The board will not take a vote, nor will it poll members in executive session. A vote may be taken on any action discussed in executive session only after the board returns to open session. However, no action may be taken on an item discussed in executive session unless the meeting's agenda provides sufficient notice to the public that action may be taken on the topics discussed therein.**

~~No action may be taken in executive session except to (a) adjourn or (b) return to public session. The members of board may not commit the board to a course of action by polling the members in executive session.~~

Under the state's open meeting laws, board members and other persons attending the executive session are duty bound not to disclose matters discussed in executive session. Board members or any other persons attending will not use tape recorders or any other means of sonic or video reproduction to record executive sessions. Additionally, board members will refrain from electronic communications during executive sessions on personal or district-owned devices, as communications regarding board matters are subject to disclosure.

~~Before going into executive session, the Board shall vote in public on the question on the specific purpose of the executive session. As used in this subsection, "specific purpose" means a description of the matter to be discussed as identified in terms (1) through (5) of subsection (a) of this section. However, when the executive session is held pursuant to Section 30-4-70(a)(1) or 30-4-70(a)(5), the identity of the individual or entity being discussed is not required to be disclosed to satisfy the requirement that the specific purpose of executive session be stated. No action may be taken in executive session except to (a) adjourn or (b) return to public session. The members of the Board of Trustees may not commit to a course of action by polling the members in executive session.~~

~~No chance meeting, social meeting, or electronic communication may be used in circumvention of the spirit of requirements of this chapter to act upon a matter over which the Board has supervision, control, jurisdiction, or advisory power.~~

~~This chapter does not prohibit the removal of any person who willfully disrupts a meeting to the extent that orderly conduct of the meeting is seriously compromised.~~
