THE FACES OF ALTERNATIVE CERTIFICATION

IN FLORENCE SCHOOL DISTRICT THREE

“FSD3 provided support to me during the PACE program that other school districts did not provide to fellow participants. It was a huge boost and source of pride to know my district was more supportive than other districts in our state. The PACE program is led by seasoned educators and provides you with the practical everyday tools for teaching in a real classroom environment.”

Modified Calendar

Exploratory Committee

Proposed:

Process

Exploratory Committee

Stage Two:

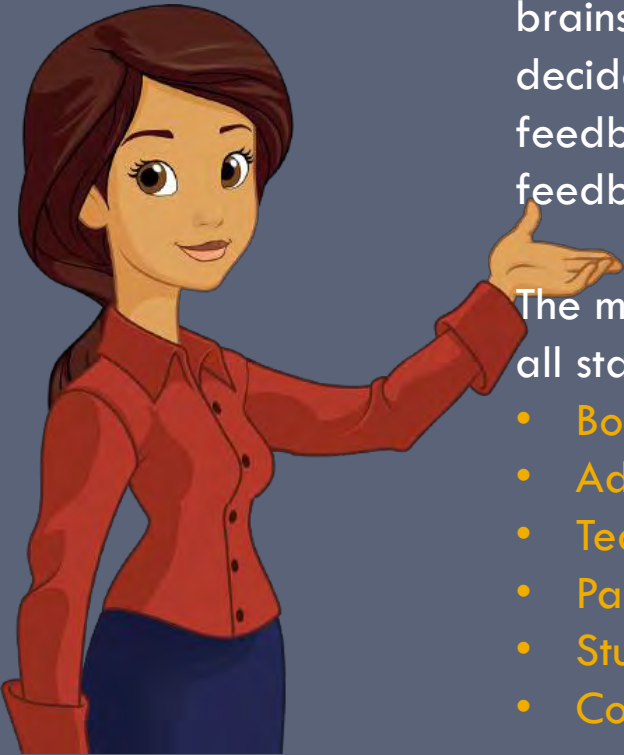

The purpose of this group would be to review the research, brainstorm any additional considerations/factors, etc. If the group decides to move forward the group would also determine how feedback would be collected from all stakeholders, etc., gather feedback, develop an official proposal.

The make-up of this group would need to include representation from all stakeholders....

- Board members
- Administrators
- Teachers
- Parents
- Students
- Community Members

Process:

March 2021-December 2021

Exploratory Committee

Stage Two:

Florence School District Three is focused on closing the achievement gap for all students not on grade level and is dedicated to developing a calendar which serves this purpose.

The Committee will present during the Annual Stakeholder's Meeting to allow all stakeholders the opportunity to provide feedback.

Process:

March 2021-December 2021
