Spring District Benchmarks

- Why Spring Benchmarks in March?
 - Our goal is to provide a rigorous review prior to the end of the year assessments.
 - Schools will analyze the data and create “Boot Camps” to provide:
 - Spiral Review on “Power Standards”
 - Addressing academic areas of weakness
 - Providing Test Taking Strategies

Incentives: Academic, Attendance, Effort

School Connect Project-part of a documentary being filmed at Artfields

2 Classes at LCECCA- Mrs. Holt's 5K Class and Mrs. Botticelli

5K- sharing information about Lake City's history and learning French from a Newfoundland 5K French immersion class.

2nd – Pen Pals with 2 other 2nd grade classes. They are doing Flat Stanley projects with animals unique to Newfoundland and SC.

*** We are shipping them Moon Pies as a part of their SC care package. (A little southern treat.)

*** Students will meet over Zoom to collaborate. We've had our first planning session with the administrative team and teachers.

Our Social Emotional Counselors led our students on a day of mindfulness and celebration of one another. Our stakeholders also joined in as guest speakers and visited our schools to engage in many activities.

March 17th- Professional Development; No school for students

March 22nd- Report Cards Issued

March 23rd- Pee Dee Regional National History Day at Bean Market
