121 Calhoun Street
Lake City, South Carolina, 29560
843-374-3749

Apply today at www.bgcpcda.org

To the end of the school year quickly upon us, we know that you are looking plans for your child's summer vacations and activities. However, the break from school activities often causes students to experience a lag in learning upon returning to school in the fall. Research shows students easily lose a couple of months' worth of reading and math skills during the long summer break.

To an effort to lessen this effect, Florence School District Three cordially invites you to attend our Community Summer Reading Camp. The camp is designed to help reduce the most common math and reading learning loss by providing instruction in fun, interactive, and engaging ways.

Dates: June 6th – July 25th
 Monday – Friday 8:15 a.m. – 1:45 p.m.
 See below for details on 21st Century Camp 6th-24th
 Transportation is Lunch Provided.

Sign Up Today! Applications for registration can be picked at your child's school or the Boys & Girls Club. All applications must be returned to the Boys & Girls Club. No applications will be taken through the district.
