With the end of the school year quickly upon us, we know that you are making plans for your child's summer vacations and activities. However, the break from school activities often causes students to experience a lag in learning upon returning to school in the fall. Research shows students easily lose a couple of months' worth of reading and math skills during the long summer break.

To an effort to lessen this effect, Florence School District Three cordially invites you to attend our Community Summer Reading Camp. The camp is designed to help reduce the usual summer math and reading learning loss by providing instruction in fun, interactive, and engaging ways.

Dates: June 1st – July 2nd
Monday – Friday 8:30 am. – 3:45 pm
Bus Riders will be dismissed at 3:15 pm
Free 4th Lunch
Transportation & Lunch Provided

Sign Up Today! Applications for registration can be picked at your child's school or the Boys & Girls Club. All applications must be returned to the Boys & Girls Club. No applications will be taken through the district.
