DropBox- K-8

# In the Spotlight

**30  
for  
30**  
Reading Challenge

We are committed to 30 minutes reading in our schools.

We challenge students to read for an additional 30 minutes at home.

Reading is essential- we need our students reading fluently by the end of 1<sup>st</sup> grade.

Our challenge is to ask parents to match the 30 minutes of uninterrupted reading at home.

# Save the Dates
