Virtual Academy 21-22

Due to the nature of the Early Childhood curriculum and the age of the students, **the virtual program will not be offered to 3K through 1st grade students.** Additionally, grades 2-6 virtual options provided will depend on the number of requests per grade level. For example, if there are only three students registered and approved for 2nd grade, we may not be able to accommodate that request.

Students must apply and meet specific requirements to be accepted into the program. Those requirements include good standing in:

- Previous Virtual Attendance
- Previous Virtual Academic Progress
- Previous Virtual Conduct

Virtual Academy 21-22

Commitments and Expectations

- 1- Year long commitment
- 2- Must use school issued device so that activity can be monitored
- 3- Must be visible on camera during instruction
- 4- Must attend all live sessions and complete work to be counted present
- 5- Must abide by same attendance and grading policies as F2F students

Failure to meet requirements and commitments of the virtual program

1st offense- warning/ parent conference
