## Dr. Sara Beth Dew- JPT

“I believe educators must never stop being a student at heart. We have to constantly seek ways to learn how to grow and change in order to keep up with everything evolving around us. We have to be the change that we want to see in this world, and that change starts with us, in our classroom.”

Dr. Sara Dew was named South Carolina Council on the Holocaust Educator of Excellence for 2021. In addition to receiving a framed certificate of her award, Dr. Dew was also presented with a \$500 check and a \$500 grant to use toward classroom resources.
