Policy ECAF Video Monitoring/Buildings and Grounds

- The board supports the administration's use of video and audio-visual cameras in accordance with this policy and governing law. Such monitoring will be utilized to foster security and promote student and staff safety.
- Video and audio-visual cameras may be used to monitor and record students, staff, and other persons at district facilities and in and around district buildings on a year-round basis, at any time, whether or not school is in session, and whether or not the facilities and buildings are being utilized by the district.
- Neither video cameras nor audio-visual cameras will be used in restrooms, locker facilities, or other areas where students, staff, and/or other persons have a reasonable expectation of privacy.
- Students, staff, and other persons are prohibited from the unauthorized use of, and from tampering with or otherwise interfering with, the district's video and/or audio-visual cameras and related equipment.
