

# FLORENCE SCHOOL DISTRICT 3

A PREMIER DISTRICT OF CHOICE

*Ensuring Our Students Are College and/or Career Ready and  
Are Productive and Responsible Members of Society*

- Overall Score = 322 (Accredited with Merit)
- **Noteworthy Practices - Standard 6, Standard 24, Standard 27**
  - FCSD#3 leverages data-driven instruction, collaborative professional learning communities, and differentiated strategies to ensure all students receive personalized support that drives academic growth and engagement. This practice ensure fair, personalized learning by analyzing and using data form a variety of sources, implementing interventions grounded in data and instructional best practices, addressing different student needs, fostering growth, and promoting continuous improvement through data-driven, collaborative strategies.

- **Noteworthy Practices - Standard 11, Standard 15**
  - Leaders create and maintain formalized institutional structures and processes that support learners and staff members in both stable and changing environments. The institution's structures and processes, which are documented, monitored, and thoroughly communicated so that learners and staff members know what to do and expect in everyday circumstance, include emergency and contingency plans, procedures for the selection of materials and resources, and processes for the allocation and management of human, material, digital, and fiscal resources.

- **Areas for Improvement**

- **Standard 19** -- Implement and monitor effective instructional strategies to elevate a student-centered learning environment that promotes student agency and responsibility for their learning.
- **Standard 23** --Develop, implement, and assess instructional strategies to effectively integrate digital resources into the learning process.

# Risk Score

- SDE assigns a risk score to each district based upon overall financial and programmatic performance as demonstrated through the following 10 criteria:
  - Required Reporting
  - Turnover of Key Personnel
  - Programmatic Compliance
  - Fiscal Compliance
  - Performance
  - Frequency and Need of Technical Assistance
  - Financial Stability
  - Quality of Management Systems
  - Timeliness of Annual Financial Audit Submission •
  - Other Material Factors (accreditation, confirmed cheating/test security violations, state program violations, current sam.gov registration, other SCDE audits)
- Florence County School District 3's overall risk score is "10" which is considered low risk.

A photograph of a large-scale construction project. The image shows the steel skeleton of a building under construction. The structure consists of several vertical columns and horizontal beams, all painted a reddish-brown color. The ground is a mix of dirt and concrete. In the background, there are trees and a clear blue sky. A blue scissor lift is visible on the right side of the frame. The overall scene is bright and clear.

# **FSD3 Facilities Update**

Board of Trustees Meeting  
May 28, 2026

## **Fire Alarm Upgrades**

- Contractor completed installation of conduit and wiring at LCECC – approx. 75% complete.
