- Due to population changes from the 2020 Census, some member districts must adjust to comply with voting precinct regulations.  
(Suggested Changes)
- Representative Roger Kirby

# District Innovation Fellowship

- Florence School District 3 is participating in a statewide fellowship which is one of State Superintendent's Weaver Initiatives. (Ongoing meetings & work sessions)
- Learning Tour: San Antonio Texas – October 24 -26
- We have the unique opportunity to meet with other district teams across the state to explore how innovative approaches may help address specific needs of our district.
- As part of that process, we are spending time requesting feedback from our staff, students, community stakeholders, and Board.
- The feedback gathered will be used to deepen our understanding of our communities, and will help us identify ways that we can be most effective in building strong district schools and programs.

# Facilities Assessment

- Based on feedback from our surveys. There is a need for a full assessment of all buildings /schools looking at all areas, not just athletics, academic and the Arts.
- I would like permission to move forward with this project. **(Action Needed)**
